**Smart Card  
Alliance**

## **IAB Meeting: April 1, 2010**

**Randy Vanderhoof, Executive Director  
Smart Card Alliance**

# Joint IAB/SCA Quarterly Meeting

## Objectives

- Add value to government identity and security community
- Extend the reach of the IAB nationally via webcast
- Add breakout sessions for “deeper dive” into important issues
- Foster stronger public/private partnership for PIV adoption

# LEAP and CSCIP- G

- Offer a new individual members-only organization for smart card professionals
- Advance education and professional development for individuals working in the smart card industry
- Manage and confer, based on a standardized body-of-knowledge examination, the Certified Smart Card Industry Professional (CSCIP) designation

# Changes for CSCIP Modules

- **Certification body of knowledge with a concentration on security and identity management**
- **9 CSCIP modules, ~ 400 pages of content**

Module 1: Smart Card Fundamentals

Module 2: Security

Module 3: Smart Card Application and Data Management

Module 4: Smart Card Usage Models - Identity and Security

Module 5: Smart Card Usage Models - Payments and Financial Transactions

Module 6: Smart Card Usage Models - Mobile, NFC and Pay TV

Module 7: Other Identity Topics

Module 8: Smart Card Technology and Application Glossary

Module 9: Bibliography

- **CSCIP Exam – 3 parts, 100 multiple choice questions, must pass all sections**

# CSCIP – (G)overnment Module

## CSCIP – G Module Table of Contents

Table of Contents	3
1 Introduction	6
2 Overview	7
3 FIPS 201, Part 1: Common Identity, Security and Privacy Requirements	8
4 The PIV Card	11
5 PIV Card Issuance and Lifecycle	20
6 FIPS 201 and Biometrics	30
7 Authentication Levels	34
8 FIPS 201/PIV Card Use Cases: Physical Access	43
